

I am on behalf of Papuans people would like to confirm to the United States to pressure Indonesian authority and its Military to ceasefire in Nduga, West Papua with Papua Army. Many victims from both side include civilians there.

Indonesia builds this road as Military road for operation than it gives benefit for Papuans people. Military uses this road for illegal logging, illegal mining etc there. This is our customary land and our land is our life.

Please US Embassy in Jakarta to help us and Pressure Indonesia to stop to road construction and ceasefire with Papua army.

The State of the Federal Republic of West Papua will give guarantee to Indonesian people and Foreigners who wish to become citizens of West Papua and ensure their safety and freedom from the point of independence onwards.
